Our Bread Business is Rising

**In order to accommodate our wholesale growth,
our Retail Store (only) will permanently close
Friday, December 4th.**

Our continued focus on high quality artisan breads has attributed to the growing success of our wholesale bread business, requiring both additional space and work force. As grateful as we are for this growth, it has become necessary for us to make the difficult decision to close the retail store and re-purpose the space for packaging more delicious bread.

This closing is for the retail coffee and pastry shop only.

It has been our pleasure to serve this south Minneapolis neighborhood over the past 17 years. We are very proud that the bakery's presence has and will continue to add value and security to the neighborhood. We are so grateful for all who enjoyed our rich coffee, sandwiches and pastries.

Many of our highly valued retail employees have accepted positions in the wholesale part of our business, and we are excited that they will remain on our team.

On behalf of the entire team at Franklin Street Bakery, we are grateful for the opportunity to have been of service to this neighborhood over these past years.
